REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Rudolph G. Gordon Elementary, in cooperation with home and community, is to prepare children to become lifelong learners and responsible, productive citizens by creating meaningful learning experiences in a safe, nurturing environment. Our goal is to raise the academic challenge and performance of each student by utilizing data to make instructional decisions, implementing research-based "best practices", and integrating technology into classroom lessons. Rudolph G. Gordon Elementary implements the Baldrige Model for Continuous Improvement. Teachers assist students in writing personal achievement and behavioral goals, tracking progress through data notebooks, and reporting goal attainment to parents through student led conferences. The Four Block Literacy Model for language arts instruction and Everyday Counts Math are taught in all classrooms, and the writing process is emphasized at all grade levels. A standards-based curriculum is presented using the Learning Focused Model for improving teaching and learning, and character education is integrated throughout units of study. Measures of Academic Progress (MAP) computerized assessments are used to evaluate student learning and plan individualized lessons in an effort to increase student achievement. Academic goals for PASS are established and aligned with district goals to improve the percentage of students scoring "exemplary" on the English/Language Arts, Math, Social Studies, and Science assessments. Our teachers and administrators engage yearly in numerous professional development opportunities designed to enhance the teaching and learning environment and support school goals outlined in our Strategic Plan. Support from parents and community members has been vital in the successful operation of our school during our fourth year with over 18,000 volunteer hours recorded. The PTA raised over \$45,000 to purchase classroom materials, Promethean boards, student incentives, and a playground for our kindergarten students. Rudolph G. Gordon Elementary was a recipient of the Palmetto Silver Award for academic achievement and improvement. Our school received the Safe Kids Upstate Safe Schools Award for the fourth year in a row. Our commitment will be to continue to engage students in classroom activities that encourage problem solving, utilize cooperative learning strategies, and enhance teamwork.
